

REPORT OF SURVEY

MRS. GEORGE DOREMUS

Showing the results of a stradia traverse of an existing cleared area and certain improvements together with a protracted relative location of the S. 1/4 NE. 1/4 SE. 1/4 Sec. 8, T. 16 N., R. 4 E., G. & S. R. B. M., based on the round corners shown.

Note: No proper boundary of the S. 1/4 of Sec. 8 has been made at this time. The accurate location of the corner of the S. 1/4 NE. 1/4 SE. 1/4 Sec. 8, T. 16 N., R. 4 E., G. & S. R. B. M. cannot be placed on the ground or mapped until this has been determined. The improvement locations are such that with the exception of the well, they are as the above described 5 A. parcel.

This will certify the survey shown herein was made by me on April 11, 1964 and May 23, 1964
George Doremus

Scale: 1" = 50'
